200 Hudson St 9th Floor New York, NY 10013 212.886.8270 Office designtex.com

Date:

Project Name:

Designtex declares to the USGBC that the products listed below, distributed by Designtex, conform to the following specification requirements for LEED v4 Materials and Resources Credit.

## Building Product Disclosure and Optimization - Material Ingredients

Option 1: Material Ingredient Reporting

| Product Name | Manufacturer<br>Inventory | Health Product<br>Declaration | Cradle to Cradle<br>V2 Basic or V3 Bronze | USGBC approved<br>Certification Program |
|--------------|---------------------------|-------------------------------|---|---|
|              |                           |                               |   |   |
|              |                           |                               |   |   |

## Building Product Disclosure and Optimization – Sourcing of Raw Materials

Option 2: Leadership Extraction Practices – Recycled Content

| Product Name | % Post-consumer | Total value of post-<br>consumer content [\$]<br>[total \$ × % post] | % Pre-consumer | Total value of pre-<br>consumer content [\$]<br>[total \$ × % pre] |
|--------------|-----------------|--|----------------|--|
|              |                 |  |                |  |
|              |                 |  |                |  |

## Indoor Environmental Quality – Low Emitting Materials

Option 3: Wall Panels

| Product Name | Category | VOC Emissions Evaluation |  |
|--------------|----------|--------------------------|--|
|              |          |                          |  |
|              |          |                          |  |
